Veterinary Receptionist

We have an exciting opportunity for a full time or part-time Veterinary Receptionist to join our brand-new purpose-built hospital in the south of Sydney. At VSOS, everything we do is based upon the belief in our team. This belief centres on treating our staff, clients and referring veterinarians as part of our VSOS family and strive to deliver the best outcomes every single time. If your wish is to join a family-like culture, then please reach out to us.

About us:

Currently, we have an amazing VSOS team, and are looking for another dynamic team member to join us. You will be based in our state-of-the-art 24hr emergency and specialist hospital which has a brand new 1.5T MRI, 64 slice CT, Fluoroscopy, endoscopy, digital radiology and ultrasound just to name a few. At the Advanced Treatment Centre (ATC) we are passionate about providing high-quality cutting-edge care and pride ourselves at being innovative and leaders in our profession.

About you:

The ideal candidate will have an open mind, be adaptable, willing to learn, be a team-player and have great communication skills. We love to work as a team and bounce ideas off one-another; sharing of knowledge, technique and experience with each other is vital. A sense of humour is important, as is the ability to have fun. We are a small, yet enthusiastic great team, where everyone gets along.

The benefits:

Remuneration for a suitably experienced veterinary receptionist will be **above** average. Experienced receptionists are welcome to apply. We value a great work life balance and flexibility!
