## Emergency Veterinary Nurses

VSOS is growing rapidly and we have several exciting opportunities for full time or part-time Veterinary Nurses to join our brand-new purpose-built specialist and emergency hospital in the south of Sydney. At Veterinary Specialists of Sydney (VSOS) everything we do is based upon the belief in our team. This belief centres on treating our staff, clients and referring veterinarians as part of our VSOS family and strive to deliver the best outcomes every single time. If your wish is to join a family-like culture, then please reach out to us.

### About us:

You will be based in our state-of-the-art 24hr emergency and specialist hospital which has a brand new 1.5T MRI, 64 slice CT, fluoroscopy, endoscopy, digital radiology and ultrasound just to name a few. At the Advanced Treatment Centre (ATC) we are passionate about providing high-quality, cutting-edge care and pride ourselves at being innovative and leaders in our profession.

The ideal candidate will have an open mind, be adaptable, willing to learn, be a team-player and have great communication skills. We love to work as a team and bounce ideas off one-another; sharing of knowledge, technique and experience with each other is vital.

### Duties:

- 1) Providing high quality nursing care; collecting vitals, recognising trends, physical exams
- 2) Triage incoming patients through ER
- 3) Communicate clearly with doctors, owners and all staff
- 4) Assist with diagnostic testing including sample collection, catheter placement, venipuncture, radiography, submitting and running lab work
- 5) Ensuring documentation is accurate and complete
- 6) Potential to assist with various procedures as needed

### Hours:

- Potential Shifts to be filled:
  - o Full or Part time Overnight Shifts (8pm – 6am)
  - o Saturday and Monday AM shifts (6am – 4pm)
- Flexibility of scheduling.

### Remuneration:

Will be generous and commensurate with experience.

### About you:

- Certificate IV nursing is essential with a minimum of 2 years in-hospital experience
- Prefer experience in working in an emergency setting, but not required
- A strong interest in emergency medicine
- Proficient in calculations (drugs, constant rate infusions, unit conversions, etc.)
- Excellent verbal and written communication skills
- Team player
- Able to work efficiently in a fast-paced environment

### The benefits:
