At Veterinary Specialists of Sydney (VSOS) everything we do is based upon the belief in our team. This belief centres on treating our staff, clients and referring veterinarians as part of our VSOS family. We strive to deliver the best outcomes every single time, with minimal boundaries to our endless enthusiasm. If your wish is to join a family-like culture, then please reach out to us.

#### About us:

Currently, we have a brilliant specialist surgical team including Dr Andrew Levien, Dr Nikola Heblinski, Dr Laurencie Brunel, Dr Michelle Joffe, Dr Rachel Basa and Professor Kenneth Johnson with strong skills in complex surgeries and are looking for another dynamic full-time team member.

We are complimented by our internal medicine specialists, Dr Karina Graham, Dr Amy Pepper, Dr Matteo Bordicchia (registrar) and Dr Graham Swinney, a specialist anaesthetist, Dr Fernando Martinez-Taboada, specialist radiologist, Dr Joanna Pilton, and residency trained internist Dr Chris Greenwell.

We have recently opened our brand-new world class specialist hospital named, Advanced Treatment Centre (ATC). In conjunction with the ATC, we provide specialist mobile services to our local veterinarians around Sydney. We hold ourselves to the highest standards and are well-equipped, including in-house 1.5T MRI, a 64 slice CT, mobile digital x-ray, brand-new fluoroscopy, and an extensive array of equipment for complex orthopaedics, soft tissue and neurosurgical cases.

#### About you:

The ideal candidate will have an open mind, adaptable, willing to learn, be a team-player and have great communication skills. We love to work as a team and bounce ideas off one-another; sharing of knowledge, technique and experience with each other is vital. A sense of humour is important, as is the ability to have fun. We are a small, great team who are full of enthusiasm.

#### The benefits:

Remuneration for a suitably qualified surgery specialist will be **above** average. Qualified specialists and senior residents or registrars are welcome to apply. We value a great work life balance and flexibility! VSOS offers relocation assistance and generous leave conditions.
