

WANTED

Full Time or Part Time Nurse with Passion & Heart...

Full Time or Part Time Nurse in the Surgery Department – Miranda – Advanced Treatment Centre

Have you been looking for an exciting and fulfilling position, in a technology advanced world class, cutting-edge privately owned medical hospital and mobile specialty services, doing professional work in an amazing growing team?

Have you been looking for a position, in which you will be seen as a miracle-worker, for the people you meet?

Do you strive to expand your knowledge and experience; increasing your influence and value, in the veterinary profession?...

We are Veterinary Specialists of Sydney (VSOS), a privately owned emergency and specialist service, offering both mobile specialist services and a World-class, 24-hour, Advanced Treatment Centre, brimming with brand-new, World-class, 'cutting-edge' technology, and equipment, from our 64 Slice CT scanner and 1.5T MRI, to our Zenition flatbed fluoroscopy machine, just to name a few.

Of course, World Class, 'cutting-edge' technology, is nothing, without a team of the same caliber, quality, and dedication. Our existing team of over 115 passionate professionals, thrive on our culture of respect, recognition, and support, that values fulfilment and growth for everybody.

If you're thinking you might 'need a change', to reach your full potential, we're looking for **YOU**.

You will learn a great deal about veterinary medicine, mobile and hospital operations, and teamwork from us; in return, we need to know you have 'passion' & 'heart'; you want to grow... and help others do the same...

You would describe yourself as thoughtful, detail-focused, dependable, and really, really good at what you do. You would be confident to play your part in a professional and supportive team, who will value and appreciate your input and ideas, to help us perform the miracles, we achieve daily.

About you and the Role:

- Part or full time role in the specialist surgery department
- Desire to take your **anaesthesia** skills to the next level (our anaesthetists will teach you!)
- An interest in **scrubbing into surgical procedures** to assist surgeons in major operations
- Ability to process and sterilise surgical instrumentation (our specialist surgeons will teach you!)
- An interest in participating in our mobile surgery service is desirable but not essential.
- Certificate IV nursing and a minimum of 2 years in-hospital experience.

Your remuneration and career path is limitless, but you better hurry, because we're on a fast track and we're looking for runners. If this sounds like the position for you, or anyone you know, please contact HR@vsos.com.au or call +61 2 8376 8767.
