Operations Manager

WANTED

Here it is.... Exciting and Fun. This job will get your adrenaline running let me tell you.

Rewarding. Well paid. Treated with respect AND work in a friendly environment whilst adding enormous value to the fastest growing Veterinary Hospital in NSW.

You will bring a sharp business mind and proven success managing multiple departments toward maximum operational efficiency. You will show inspired leadership to the operations departments in a passionate cutting-edge medical facility setting the veterinarian world on fire and for once in your life, be appreciated.

We are innovative, exciting, fun, enthusiastic, miracle workers, sometimes acrobats and every other adjective that describes how awesome we are so get ready, start typing up that resume and see what we have to offer.

We are the fastest growing Vet Hospital around, with over 130 staff, so the question is. How fast are you? Can you keep up? Are you game enough to step outside of your comfort zone and make a difference? We hope so.

Of course, you need to have something to brag about. Highly Skilled. Strong Financial Acumen. Incredibly Organised. Thought Leader. Motivated. High Standards. Communicative. Passionate. Relentless. Team Player.

What is the job description? Next level Leader, Organiser and Communicator to nurture and grow our team. Develop and implement processes and practices incorporating efficiencies, innovation and relationships with the referring vet community and beyond as well as making sure we maintain our already spectacular reputation.

Call us. Email us. Or send a carrier pigeon with your resume. Just make sure the pigeon is double vaxed. Oh, and medical management experience is preferred.

Your income and career path are only limited by your imagination, but you better hurry, because we're in the fast lane looking for runners. If this sounds like the position for you, or anyone you know, please contact HR@vsos.com.au or call +61 2 8376 8767.
