Leading the way with advanced cutting-edge Veterinary Medicine... Small Animal Medicine Intern

Here it is.... Exciting and Fun. This job will get your adrenaline running let me tell you.

Rewarding. Treated with respect AND work in a friendly environment whilst adding enormous value to the fastest growing Veterinary Hospital in NSW.

We are a privately owned emergency and specialist service, offering both mobile specialist services and a World-class, 24-hour, Advanced Treatment Centre, brimming with brand-new, World-class, 'cutting-edge' technology and equipment and an amazing team of over 150 passionate professionals.

About the Role:

We are looking for a **full-time medicine intern** for a **one-year internship**, commencing immediately, to help prepare and educate you to further your career aspirations in small animal medicine. You will ensure a high standard of care while making sure our clients have a positive experience. We perform cutting edge medicine procedures including but not limited to ultrasounds, echocardiograms, oncology, endoscopy, rhinoscopy, cystoscopy, interventional radiology/urology, laser-assisted turbinectomies (LATE) to complement traditional airway surgery in brachycephalic, or squashed nose dogs, stone removal, all of which you will learn and be educated with whilst "scrubbing-in" with these procedures at VSOS.

You will have an open mind, be adaptable, willing to learn, be a team-player and have great communication skills. We love to work as a team and bounce ideas off one-another; sharing of knowledge, techniques, and experience with each other is vital. You will maintain a cohesive and positive team and work environment that grows and develops as VSOS grows.

About You:

You will learn a great deal about hospital operations, veterinary medicine, leadership, and teamwork from us; in return, we need to know you have 'passion' & 'heart'; you want to grow... and help others do the same...

We are the fastest growing Vet Hospital around, with over 150 staff, so the question is. How fast are you? Can you keep up? Are you game enough to step outside of your comfort zone and make a difference? We hope so.

Work Hours:

- Full-time: 4 days and 38 hours a week.
- Flexibility of late finishes is essential.

Our Benefits:

- Above standard salary package depending on experience
- High-end facilities
- State of the art equipment
- Supported by clinical unit managers and senior management
- Highly experienced specialists available for consultation
- Training and career progression
