Sonographer

Changing the game..

Here it is.... Exciting and Fun. This job will get your adrenaline running let me tell you.

Rewarding. Well paid. Treated with respect AND work in a friendly environment whilst adding enormous value to the fastest growing Veterinary Hospital in NSW.

We are a privately owned emergency and specialist service, offering both mobile specialist services and a World-class, 24-hour, Advanced Treatment Centre, brimming with brand-new, World-class, 'cutting-edge' technology and equipment (Philips EPIQ Elite) and an amazing team of over 130 passionate professionals.

About the Role:

We are looking for a full time highly motivated and organised person with the ability to work well with people at all levels of the business. You will ensure a high standard of care while making sure our clients have a positive experience.

You will use your incredible technical imaging skills to assist our radiologists and doctors with diagnosing and monitoring a variety of conditions and diseases. You will maintain a cohesive and positive team and work environment that grows and develops as VSOS grows, including:

- Use your proven sonography experience to learn the veterinary anatomy of cats and dogs.
- Ensuring clear images for diagnostic purposes.
- Setting up, maintaining, and cleaning ultrasound equipment.
- Carry out training on ultrasound equipment for other professionals.
- Communicating with doctors to ensure appropriate ultrasound examinations.
- Ensure all examinations are requested through our PACS system and allocated to correct technician.
- Ensure all scans and images are uploaded and saved to our PACS system and patient file.
- Presenting the sonograms and preliminary findings to the doctors.
- Complete documentation and maintain patient history and medical records.
- Monitoring patients to ensure their safety and comfort during procedures.
- Ensure service continuity, compliance, and quality.
- Optimise the scheduling flow of all ultrasounds and echocardiograms.
- Enhance relationships, to promote & maximise cooperation.
- Driving positive staff culture & morale throughout the department and overall hospital.
- Always setting an example of a great attitude.

About You:

We are the fastest growing Vet Hospital around, with over +140 staff, so the question is. How fast are you? Can you keep up? Are you game enough to step outside of your comfort zone and make a difference? We hope so.

Of course, you need to have something to brag about. Incredibly Organised. Highly experienced sonographer. Motivated. High Standards. Communicative. Passionate. Team Player. And;

- Bachelor's degree medical sonography
- 2+ years' proven experience as a sonographer
- Strong technical and communication skills
