Veterinary Surgery Mobile Nurses

At the forefront of veterinary medicine...

We are a privately owned emergency and specialist veterinary hospital. Our services provide a 24-hour, Advanced Treatment Centre outfitted with brand-new, world-class, 'cutting-edge' technology and equipment (Philips EPIQ Elite). Since opening in June 2020, our business has grown from 35 employees to +140 dedicated and passionate veterinary professionals.

We are looking for **surgery mobile nurses** interested in joining us on a **full-time** or **part-time** basis. We are a busy **mobile specialist service**, that travels from clinic to clinic performing surgical procedures within general veterinary practices throughout Sydney. All interested and eligible candidates must have the ability to provide the gold standard level client and patient care we are widely recognised for.

About You:

You will have an open mind, be adaptable, willing to learn, be a team-player and have great communication skills. We love to work as a team and bounce ideas off one-another; sharing of knowledge, techniques, and experience with each other is vital. You work well with people at all levels of the business. You will maintain a cohesive and positive team and work environment by encouraging a positive culture and leading with a "can do" attitude.

About the Role:

Your main duties will include:

- 1) Preparation of equipment and patients for surgery
- 2) Driving the work vehicle (sprinter size van) from home base to clinics
- 3) Scrubbing-in with the specialist surgeon to assist with procedures! This is fun and exciting and a great learning opportunity one-on-one with a specialist. Ideally you will be familiar with gowning, gloving and aseptic technique, however we can teach you if you are new to this.

Hours:

- Full-time: 4 days and 38 hours a week.
- Part-time: Minimum 2 days per week: minimum 22 hours per week; flexible rostering
- Weekdays only. No weekend work is required.
- Flexibility of late finishes is essential.

Experience and Qualifications:

- Certificate IV nursing is essential with 2 years in-hospital experience.
- A strong interest in surgery and instrumentation. We will teach you a unique skill-set, such as performing epidurals and handling surgical instruments.
- You will not be having to hold and restrain animals often.
- You will rarely have to deal with clients or phone calls.
- Ideally you will live in the Southern part of Sydney to reduce your commute time, our base location is in Illawong, NSW.
