Medicine Nurse

At the forefront of veterinary medicine...

Rewarding. Exciting. Treated with respect AND work in a friendly environment whilst adding enormous value to the fastest growing Veterinary Hospital in NSW.

We are a privately owned emergency and specialist service, offering both mobile specialist services and a World-class, 24-hour, Advanced Treatment Centre, brimming with brand-new, World-class, 'cutting-edge' technology and equipment and an amazing team of over 160 passionate professionals.

About the Role:

We are looking for full time and part time highly motivated and organised medicine nurses with the ability to work well with people at all levels of the business. We perform cutting edge medicine procedures including but not limited to ultrasounds, echocardiograms, oncology, endoscopy, rhinoscopy, cystoscopy, interventional radiology/urology, laser-assisted turbinectomies (LATE) to complement traditional airway surgery in brachycephalic, or squashed nose dogs, stone removal, all of which you will have the chance to "scrub-in" with as part of being an amazing medicine nurse here at VSOS.

You will have an open mind, be adaptable, willing to learn, be a team-player and have great communication skills. We love to work as a team and bounce ideas off one-another; sharing of knowledge, techniques, and experience with each other is vital. You will maintain a cohesive and positive team and work environment that grows and develops as VSOS grows, including:

- Preparation for all medicine cases, communication with doctors to decide pre-meds/induction and CRI's if needed
- Perform sedation and anaesthesia for various procedures
- 'Scrub-in' to procedures and be hands-on with these cutting-edge procedures
- Setting treatment and medicine sheets for medicine cases on Smartflow
- Assist with diagnostic testing including sample collection, catheter placement, venipuncture, radiography, submitting and running lab work
- Assisting with oncology, chemotherapy, patients
- Help with managing patients from admission to discharge and follow up care
- Setting an example of a great attitude at all times.

About You:

We are the fastest growing Vet Hospital around, with over 160 staff, so the question is. How fast are you? Can you keep up? Are you game enough to step outside of your comfort zone and make a difference? We hope so.

Of course, you need to have something to brag about. Incredibly Organised. Highly Experienced Nurse. Motivated. High Standards. Communicative. Passionate. Team Player. And;

- Certificate IV in Veterinary Nursing
- 2+ years' proven clinical experience in general practice or specialist hospital
- Knowledge of general business software and aptitude to learn new applications; such as ezyVet, Cubex inventory system, and smartflow patient management.

Your career path is only limited by your imagination, but you better hurry, because we're in the fast lane looking for runners. If this sounds like the position for you, or anyone you know, please contact HR@vsos.com.au or call +61 2 8376 8767.
