Small Animal Internal Medicine Internship

Leading the way with advanced cutting-edge Veterinary Medicine...

Here it is.... Exciting and Fun. This job will get your adrenaline running let me tell you.

Rewarding. Treated with respect AND work in a friendly environment whilst adding enormous value to the fastest growing Veterinary Hospital in NSW.

This is a great opportunity to advance your skills and knowledge whilst working alongside our widely recognised and world-renowned veterinary specialists. If your goal is to become one of the worlds top, then come to VSOS and learn from the best!

About the Role:

We are looking for a full-time intern, for a one-year internship within our Specialised Internal Medicine department along with a unique opportunity to rotate through the Interventional Radiology department, commencing immediately, to help prepare and educate you to further your career aspirations in small animal medicine.

You will ensure a high standard of care while making sure our clients have a positive experience. We perform cutting edge medicine procedures including but not limited to ultrasounds, echocardiograms, oncology, endoscopy, rhinoscopy, cystoscopy, interventional radiology/urology, laser-assisted turbinectomies (LATE), trans-arterial chemoembolisation (TALE), percutaneous cystolithotomies (PCCL), pacemakers and many more all of which you will learn and be educated with whilst "scrubbing-in" with these procedures at VSOS.

You will have an open mind, be adaptable, willing to learn, be a team-player and have great communication skills. We love to work as a team and bounce ideas off one-another; sharing of knowledge, techniques, and experience with each other is vital. You will maintain a cohesive and positive team and work environment that grows and develops as VSOS grows.

About You:

You will ideally have 2+ years veterinary experience, be adaptive, have an open mind, is willing to learn, be a team-player and has exceptional communication skills. Ideally, you will have a membership in Small Animal Medicine or have the intention to obtain this. If required, please seek information via <https://anzcvcs.org.au/membership/>.

We love to work as a team and bounce ideas off one-another; sharing of knowledge, technique, and experience with each other is vital. A sense of humour is important, as is the ability to have fun. We are a growing team who are full of enthusiasm, and we would like applicants to share the same values.

Work Hours:

- Full-time: 4 days and 38 hours a week.
- Flexibility of late finishes is essential.

Our Benefits:

- A collaborative, supportive and diverse team environment
- A culture focused on individual growth and strong team support
- A highly competitive salary
- Training opportunities and career progression
- To be part of a rare, non-corporate multi-disciplinary veterinary specialist hospital in Sydney

Veterinary Specialists of Sydney Pty Ltd

ABN: 16 628 288 595

- Assistance with visa sponsorship and relocation may be considered for the right candidate
- Generous CPD allowance and CE leave
- Compressed and flexible work hours
- Staff discounts

Applications Close: Tuesday, 23rd August 2022

At VSOS everything we do is based upon the belief in our team. This belief centres on treating our staff, clients and referring veterinarians as part of our VSOS family and strive to deliver the best outcomes every single time. If your wish is to join a family-like culture, then please reach submit your CV with interest to HR@vsos.com.au or call +61 2 8376 8767.
